

## Vegetable soup making at Princess Christian Care Home

## Cooking with Cosmin

On Friday 6 May we hosted another of our popular Cooking Club sessions at Princess Christian Care Home, to help our Chef Cosmin with supper preparation.

Vegetable soup was on the menu and our '*Chefs in training*' were residents **Margaret, John, Tony** and **Ameneh** who did an amazing job **peeling and cutting carrots, potatoes and parsnips**.

These were boiled and then blended with cream and herbs, to make a delicious soup.

Thanks to Carol and Sian from our Recreation and Well-Being Team for being on hand to help.

Our soup making team!
