

Western Day themed fun at Princess Christian Care Home

We turned Princess Christian Care Home into the Wild West on Thursday 14 October!

Our residents had such great fun playing '*Toss the horseshoe*' and '*Cactus skittles*', as well as trying seated line dancing!

Our Recreation and Well-Being Team **dressed up as cowboys and cowgirls** and even managed to lasso a **friendly horse** to take part in the fun!

Our lovely **singer Najwa** looked wonderful as a cowgirl and entertained our lovely residents with country and western songs, as well as joining in with **our Team's line dancing display** which had our residents in fits of laughter (*as the horse wasn't so nimble footed!*).

We enjoyed taking photos and put up '**Wanted**' posters around our **Home** featuring our residents and staff (*at least two of our Manager Mario!*).

Yeeehaa! What a great day!
