

Wonderful New Year buffet at Princess Christian Care Home

We were all treated to a stunning, mouth-watering buffet here at Princess Christian Care Home, to welcome in the New Year in style.

The tables were packed with a **tempting array of savoury treats** including cold meats and cheeses, tempura prawns, samosas, pies, salads and more.

For **dessert** there were delicious fruit salads, waffles, chocolate and pistachio brownies, cream horns and a wonderful **New Year cake**, to name a few!

Huge thank you to our amazing **Chefs Cristian, Catalin and Cosmin**, who worked so hard to present their food so beautifully. A massive thank you also goes to **Ionela, Olivia, Adelina and Doina** for their support in making the buffet run so smoothly for our residents.

What an amazing treat to kick off 2024!
