

World Alzheimers Day fundraising event at Princess Christian Care Home

This week at Princess Christian Care Home we supported the Alzheimer's Society with a fundraising event at our Home for World Alzheimer's Day.

We made our own **beautiful cupcakes and cookies** to sell and our Activities Team made all the **decorations**, including our balloon arch!

Our residents also made some **lovely forget-me-not items** to sell, including fridge magnets, bracelets, key rings and cards.

It was wonderful to support such an important charity which is so close to all our hearts and so far we have raised £75.
